

Thesis Supervision Meeting Minutes

This form must be completed by the student, approved, and signed by the supervisor on each meeting, then uploaded to GitLab to create a timestamp.

Date: 18/06/2026

Time: 16:00

Location: Online

Attendees: Student, Supervisor

Key Discussion Points:

- **Progress Update:**

I was able to present my poster and try to answer properly all questions.

- **Challenges Faced:**

There were no challenges. Probably just the stress from the presentation and the questions.

- **Supervisor's Feedback:**

During the meeting, we discussed my results. What I did very well and areas where I can improve. These are the results:

Interim Report Feedback:

background 8/10

literature review 10/15

- enhance by involving more papers
- be more chronologically

EDA 33/40 the highest out of all students probably

- very good description of everything,
- excellent analysis => describe what it could mean and what impact it can be

Future 3.75/5

- very good mark
- good to see timelines and how it is going to work

Report Writting 4/5

- just good job

Presentation + Q&A 14/20

- Presentaion which was made was excellent
- Answering was worse, try to be less nervous

Engagement 5/5

- Mark from supervisor

- **Next Steps:**

- Use the timeline and phases I've outlined as a guide and try to follow them (don't leave it until the last minute).
 - Start writing Journals
-

Next Meeting:

Date & Time: Uncertain now (1st week of August)

Location: Online (Most likely)

Minutes Prepared by: Marek Martinak

Signature of Supervisor:
